

# Are you tired of

Losing contract information,  
Wasting money on unwanted auto-renewals,  
Unnecessary expense from duplication or overlap of services,  
Missing critical milestones,  
Liability due to inadvertent breach, or  
Voiding contracts due to neglect or inaccurate administration?

## Contract Assistant

- Manage all types of contracts and negotiated agreements
- Quickly access important information
- Receive automatic reminders of critical dates
- Generate reports
